FOR IMMEDIATE RELEASE

**FREE EARTH DAY CELEBRATION & COMPUTER RECYCLING EVENT AT
BARTLETT NATURE CENTER ON APRIL 24TH**

Bartlett, Illinois - Come rain or shine, Bartlett Park District's Bartlett Nature Center will host its 10th Annual Earth Day celebration on Saturday, April 24th from 12:00 pm to 4:00 pm at the Bartlett Nature Center, located in the visitor center, James "Pate" Philip State Park, 2054 W. Stearns Road. WorldTech Recycling Systems is holding a free recycling event at the Center in conjunction with the Earth Day activities. Throughout the 4-hour event, visitors are invited to drop off used computers, peripherals and a variety of other electronics.

Attendees can study nature exhibits, participate in hands-on activities, and watch wildlife conservation program demonstrations. At the same time, visitors will be helping to protect the environment by recycling used electronics. THE MIX 101.9's Music Van and road crew will be on-site to spin music and award prizes. No reservations are required to attend the events. For a complete list of acceptable equipment to bring for recycling, see the Earth Day flyer at <http://www.bartletparks.org>

About WorldTech Recycling Systems

WorldTech Recycling Systems is a premier electronics recycling company, processing over 120 million pounds of electronic waste in North America annually. Possessing a strong domestic and international presence, the company provides environmentally responsible recycling of electronics for businesses and consumers. WorldTech Recycling Systems also enables businesses to unlock the value in their used electronic assets through remarketing—extending the useful life of all forms of IT, communications and electronic equipment. Additional services such as data wiping and brand protection, along with a host of value-added benefits, are also available.

About Bartlett Nature Center

The goal of Bartlett Park District's Bartlett Nature Center is to encourage the preservation of natural areas and animals through awareness, education, conservation and interpretation. The Center includes displays and collections relating to the environment, encompassing everything from the soils to the stars. There are 4 -1/2 miles of hiking trails on 501 acres, and amenities include a picnic shelter. Hours are: Mon-Fri 9am-4pm, Sat 9am-1pm. Closed Sundays and holidays. The park is open sunrise-sunset.

On-site and off-site programs are available during regular business hours, evenings and weekends for schools, scouting groups, daycares, private parties, businesses and churches. For more information, call (847) 608-3100 or visit the Center online at www.bartlettparks.org.
