Customer Reviews ▶

The timeless beauty of Italian calfskin leather. This beautifully crafted, USA-made, leather iPad® **More** portfolio is the epitome of elegance and function, protecting your tablet from damage while keeping it easily accessible. A built-in easel makes typing a breeze, and a flip/snap feature creates a handy stand for watching movies hands-free. Features a built-in camera port and outlets for your charger. (9¾ x 8 x ½"; 12 oz)

This item can be gift bagged.

Information:

Designed for the Apple iPad and iPad 2, the iPad Tabbed Folio with Easel combines elegant design with the protective, secure framed iPad holder and multi-function usability.
