

SKR - AR Series - Email #10

Day 10 – Special Bonus Article – The Do’s and Don’ts...

As promised, here is one of the most valuable how-to guides you will have in addition to my free Guide. Here’s where you get to communicate with the teachers you will be handing your child off to for schooling!

And soon he’ll be ready to Start Kindergarten Right!

I hope you enjoyed the SKR Guide... you can really help me (and other parents!) by taking a few minutes to tell me what you thought of the guide....

What is the one thing you wish I would have addressed in this guide that I didn't cover?

Also, please let me know what you specifically liked and disliked with this guide (please be honest and specific... it will really help!).
