Day 6 -- Developing Listening and Following Directions Skills

Dear (Parent),

Have you ever had to deal with folks who don't let you finish what you're saying to them?

And don't you just love it when you ask someone to do a simple task—and it's either ignored or half-done as if they didn't understand your request?

Happens a lot in life, doesn't it? With children and adults, yes?

Well, that's not going to happen with your child. My Guide will tell you what you need to teach your child about one of life's most important skill sets... Listening.

You're going to love the results...and your child will love the praises!

Let's dive right in. Ready?
