## OUR PRODUCTS

### ARCHITECTURAL, BUILDING AND OUTDOOR SIGNAGE

From lawn signs to Corporate Office Park Monument Sign Presentations: From custom-designed and produced wood, plastic, metal or composite options for your business, development or organization. The options are myriad, and a question-and-answer session by phone or by e-mail, along with a personal visit by one of our staff to your location, will move your project forward immediately. We can also produce portable, on-site construction firm signs—heavy enough to fit the job, but light enough to transport quickly by light truck.

To take your office park, school, church, land development, community, corporate identity or small business to the next level in presentation, we offer the best and sophistication of landscaped, architectural monument signage and professional signs in a large range of models, styles, sizes and colors. Monument signs are becoming the permanent presentation signage of choice. Our monument signs have the look and durability of textured stone, but are available for a much more reasonable price.

Or you may want temporary Lawn Signs, ranging from realtors' and residential SALE signs to political candidate signs, or to advertise your construction, painting or decorator company on-premises at individual home sites. We can produce a variety of patriotic and seasonal lawn signs for all occasions.

### BANNERS

Your custom-designed, vinyl or digitally-imaged banner(s) can be produced in a variety of dimension, weight, text, graphics, and colors, and can be made using one or more of a combination of fastening and securing devices of your choice. Common are brass grommets, through which nylon or other ropes can be used. Banners can also be crafted with integral D-rings in the corners, rope sewn into top & bottom hems, pole pockets or just plain. Also available are banner stand frames that will allow you to turn your banner into a permanent building sign or standing banner display.

### COMMERCIAL LETTERING & GRAPHICS FOR DOORS & WINDOWS

Your new customer's first impression is most often conveyed before he or she steps into your business establishment. Very often, the signage, as well as

building environment, will send a strong message to the customer about the quality of the business. Image is important! Your windows and doors tell a lot of your business, both from the service and image standpoints. We consult from start to finish, covering all elements of the required signage, and provide the most attractive and efficient signs, lettering and imaging for all of your business needs.

## CONVENTION, MEETING & TRADE SHOW SIGNS

From the smallest business meeting or conference to the major exposition our signage, service, programs and experience are widely known and utilized. Satisfied clients in the meeting, conference, convention and trade show venues that for over twenty years, we continue to provide personal, prompt, expert and friendly service, producing thousands of attractive, distinctive and informative every type of meeting and show group imaginable. Our clients range from dental associations, academies and schools to industrial service companies, foodservice purveyors, fraternal & trade groups, specialized clubs and exhibit hall organizations. Because large quantities of signs & banners are normal for many of the shows, we offer price discounts to our show clients. Our products can range from a simple directional sign or banner for an exhibit or lobby to heavy copy, conference session and continuing education listings as distinctive and decorative showcards for gala events.

Another mainstay of our card signs are custom-produced, 7x44" **Trade Show Signs**, with your choice of colors. You can also choose the optional display company or show logo on each sign. Our booth/I.D. signs are affordably produced and can be produced quickly, in large quantities, for shipping or delivery to your headquarters or show site! We can work with your show organization and planners, or work directly with your pipe & drape/decorator personnel. Quality discounts apply. Call today for details!

## INDOOR & OUTDOOR FLAT SIGNAGE, FLOOR GRAPHICS AND DIMENSIONAL LETTERING

If you choose attractive, long-lasting and distinctive indoor or outdoor signage for your office, store or corporate environment, we are your sign company! We will enhance your image with wood, plastic, metal or foam dimensional letters. Available in a large selection of typefaces, and we can also dimensionally reproduce your company logo. For stores and other foot traffic areas, we also specialize in digitally printed, durable floor graphics. That's right—*Step on it!* Wherever your customers can walk, you can advertise! Call for details.

## LETTERING & GRAPHICS FOR AUTOS & TRUCKS

One of our customers rightly stated that her truck was her best salesman! It is a surprise to us—our mission in vehicle lettering, graphics or imaging is to provide the best salesman to work with our every business vehicle assignment. We can add value to your enterprise by making your vehicle lettering and graphics individually distinctive, strong in quality and clear in communication.

You may have fleet graphics needs, if you're an industrial firm or construction company, and need equipment numbered or marked—or you may be a manufacturer that needs imaging, lettering or graphics for your fleet of service vehicles. Whether it's one vehicle or a larger number, we will work with you personally, and to your absolute satisfaction.

## MAGNETIC VEHICLE SIGNAGE

You may want professional, removable signs for your vehicle, and that's where magnetic vehicle signs are of great durability, value and use. We provide magnetic vehicle signs in almost any dimension and color range. There are many options to explore in this category, with almost unlimited design allowances.

## MAGNETIC BUMPER STICKERS!

Signsourcegraphics.com is an originator of the bumper magnet, or magnet sticker. We have a vast array of designs and ideas available for your individual message, and are the leader in this new type of individual expression on wheels. Identification, inspiration, patriotism, a humorous message or to display important information, bumper magnets can be ordered from our existing sticker art library with your custom specifications and text.

## SPECIALTY LETTERING, GRAPHICS & IMAGING FOR YOUR AIRCRAFT, BOAT, RACING TEAM, TRAILER, BIKE

With more creative expression than ever becoming commonplace among boat, snowmobile, bike and trailer owners, our award-winning lettering & graphics for RVs and other specialty vehicles will add beauty and individuality. We provide on-site installation of the lettering, imaging and graphics that you specify and desire. However, if on-site graphics application is not desired or feasible due to accessibility constraints, we will finish your graphics in-shop and send them to you complete with special tools and instructions for your application. Call or e-mail us with your specs, ideas and questions regarding your vehicle.
