I am eager to get going and do the same for MY financial future – starting today!

So please send me my [REDACTED] Trading Academy course and Bonus, so I can learn the secrets that have brought you so much success.

After reading your Special Report, I am convinced this material is worth even more than that “bells-and-whistles” trading software advertised on TV and the Internet - plus I believe I'm going GET much more value out of the [REDACTED] Trading Academy than any other trading program.

I understand, however, that you're only charging \$99 for the entire course plus the incredible BONUS 2-month membership to ██████████'s Marketcast!

By enrolling in the ██████████ Academy I will receive:

- **the ██████████ Trading Academy Manual** – containing enough training to make me successful in the stock market, as ██████████ promised. As a result, even if I only have a FRACTION of the success you and ██████████ have, I will be a portable profit dynamo with my knowledge and mastery of the market.
- **the ██████████ Trading Academy Workbook** – putting everything I have learned in the Manual and the DVD tutorials to the test! I will be able to refer back to the information in the entire course again and again for “refresher training” and sharpen my knowledge and discipline even more.

- **2-month subscription to ██████████'s Marketcast** – access to group calls every Monday and Friday morning at 9 am Eastern time. Here I will listen in on ██████████'s forecast of stocks that show promise as profit candidates - as well as his commentary and analysis on stocks he's ready to trade or already trading.
